

Knollwood Village Voice

Spring Issue

www.knollwoodvillage.org

March-May 2012

President's Letter

Fellow Residents,

It is my hope this issue of the *Knollwood Village Voice* finds each of you in good spirits and health.

Since the last KVCC newsletter, your club held the annual general meeting January 31, 2012. Elections were held for all the executive offices. **Scott Rose, Chris Hearne, Brian Gastineau** and I were unopposed and elected as Vice President, Treasurer, Secretary and President, respectively.

Integral committee positions have been filled by both new and familiar faces. Brent Nyquist, a long time resident of KV, will chair the Architectural Control Committee. Brent will be assisted by **Bill Klein, Bev Blackwood, David Roder and Erik Tennison.** **David Wood** remains KVCC's security chairman and **Bevin Barrett** chairs our welcoming committee. **Suzanne Jett** will chair the garden and beautification committee. Long time contributors to KVCC **Cheryl O'Brien** and **Chris Hearne** will again team up to edit and publish the *Voice* this year.

Each of these committees welcomes your involvement! I want to express my sincere gratitude to all who will graciously volunteer

their time this year in support of our subdivision.

KVCC's financial status is healthy. The revenue collections from voluntary dues and *Knollwood Village Voice* advertisements last year were sufficient to cover 2011 expenses. If you have contributed to KVCC this year, thank you. If you have not yet had a chance to contribute, please do so.

Several Knollwood Village community projects are in full swing already. The street lamp

upgrade campaign is being led by Scott Rose. At the time of this writing, a team of 14 volunteers will communicate the process and financial needs of the project to the affected residents. The upgraded street lamps are so desired, many of those assisting don't even live on the affected streets. If you do live in the affected

Continued on page 2

President's letter. con't from page 1

area please make every effort to contribute what you can to the project.

Two projects being lead by the garden and beautification committee are the possible replacement and landscaping of the KV subdivision esplanade signs and the annual holiday home decoration contest. Last year's decorations winners were pleasantly surprised by their selection and yard signs. The esplanade sprinkler project has been delayed and will be considered at a later date.

The Knollwood Village website has been updated and improved. Please take the time and tour the website www.knollwoodvillage.org. The site contains valuable information which may answer questions or needs you have. Chris Hearne, the website looks great, thank you for your effort.

Did you know our subdivision has been rezoned into the newly created City of Houston District K? KVCC's new city council representative is **Larry Green**. The KVCC has been in contact with Council Member Green's office staff. Your board will be actively participating in many exciting new possibilities to improve the security and beautification of our neighborhood in the coming year. Stay tuned.

I hope each you has a very successful and healthy new year and I look forward to seeing more of our

residents at the next general meeting. To make our neighborhood desirable, it must be safe and secure.

– Hector Caram, *President*
president@knollwoodvillagecc.org

Holiday Decorating Contest Winners

It was so nice to see the neighborhood decked out for the holiday season this year! We had a contest for decorating and here are the winners. CONGRATULATIONS TO ALL!!

- 1st: 8427 Hatton – see picture below
- 2nd: 3022 Stanton
- 3rd: 8223 Lorrie
- Most Traditional: 2802 Lorrie
- Best Color Scheme: 3027 Tilden
- Most Creative: 3106

- Your existing home has really good features and simply needs to be updated.
- The cost of everything on the market exceeds your budget.

The first step in determining your project path should be to work with a good Real Estate agent who is active and knowledgeable about the properties in your neighborhood. Assuming you have already looked at other properties currently on the market, you should now look at your current home, specifically, what is the current value and how will the value change after you have completed your proposed project.

For example, if you are considering a

master suite addition to your existing 3 bedroom home, look for any current listings for 4 bedroom homes that have recently updated the master bathroom. This exercise should show the current value the market will pay for this work and you can then compare that cost with the prices you get for making a similar addition to your existing home. Depending on the age and construction quality of the comparison property, you will need to make adjustments to allow for more recent work.

Many other factors should play into your decision about the appropriateness of a home construction project. Most experts advise you not to undertake a major remodel, addition or construction project if you don't expect to live in the house for 5 or more years. A shorter time horizon will often force you to sell the home for less money than you have put into it. Additionally, you should ask yourself if you have time to commit to the project design, product selection and construction supervision that will help lead to a successful project. If undertaken with appropriate cost and time expectations, a building project can be a fun and rewarding process making all of the work and effort worthwhile.

Move or Build: How to Decide

Excerpts from an article published by Brent Nyquist, ATTICUS ARCHITECTURE, INC.

The decision to remodel, add on to your home, or to move to a new home is difficult and often more complicated than simply looking at the costs of each option. Often an addition would satisfy our functional requirements but we are limited by lot size, zoning or deed restrictions from being able to build. Often, it is difficult to justify an expensive addition to a house that has other major structural issues like old wiring, leaking plumbing or foundation movement. Another complication stems from neighborhoods that are experiencing rapid re-construction of often much larger and more valuable houses, meaning that a newly remodeled house will be valued, not for the cost of the newly configured home, but for the value of the lot on which it sits.

Because a construction project is often lengthy, costly and stressful, my advice to any homeowner contemplating a home addition, remodel or new build project is to first look at all available properties on the market and to buy an existing property if they can find one that meets their requirements. This will often be the least expensive and certainly, the easiest and quickest route into a home that meets your needs. However there are often many reasons why this isn't an option such as:

- You already own the property of your dreams and what you need is a house.
- You really like your neighborhood, neighbors, nearby schools, amenities etc., and don't want to move away.

Knollwood Village Civic Club

For more than 50 years, the Knollwood Village Civic Club has been instrumental in keeping our neighborhood healthy, attractive, and safe. Thanks to the annual contributions of its residents, the KVCC enforces the Deed Restrictions, funds the Security Patrol, maintains the street medians, welcomes new residents, liaisons with government officials, and more. Please make your annual contribution now.

[Pay Annual Dues](#)

Deed Restrictions

Knollwood Village is a deed-restricted community. We take them seriously. Before you consider building or remodeling, check the Deed Restrictions for your property and submit your plans to the **Architectural Control Committee** for approval. You will get timely, personal support.

[View Deeds Restrictions](#)

Security Patrol

KVCC contracts with Smith Security to provide patrol coverage of our neighborhood. Many of you know **Officer Perkin La Cour**, who has been regularly patrolling our neighborhood for years. He is familiar with the people and homes of Knollwood Village, and has been a visible presence on our streets and a one of the reasons we enjoy a safe place to live. The vast majority of your annual dues go to pay for the Security Patrol.

Knollwood Village Smith Protective Incident Report

(October 30, 2011 - March 1, 2012)

Other than a burglary in December and an attempted burglary in early January, Knollwood Village residents have reported very few incidents to our neighborhood **Smith Protective Services** security patrol in recent months. A check of the **Houston Police Department's** online crime database for the time period November through February reveals that there were two burglaries and several thefts in Knollwood Village that apparently were not reported to Smith Security.

In addition to reporting crimes to HPD, it is very helpful if residents would also report incidents to our neighborhood Smith Security patrol officer, **Perkin La Cour**. By learning about the details of crimes that occur in our neighborhood Perkin can do a more effective job of patrolling and deterring crime.

More than 125 households in Knollwood Village contributed to a holiday gift for officer **Perkin La Cour**. That effort led to a check for \$2,900 to Perkin in December. Perkin was very appreciative of the gift and said that it would help him to make some much needed repairs to his home. Perkin sends his thanks to all of the residents who contributed to the gift.

Sometime in the next month or so Smith Protective Services will be posting a number of their signs on light poles throughout the neighborhood. The signs are to let people coming in to Knollwood Village know that the neighborhood is patrolled and the signs also list the Smith Security dispatch phone number to call to report crime incidents and suspicious persons.

Here is a summary of the Smith Security reports for the last 4 months.

2800 block Linkwood (10/30/11 10:47 AM) - Resident reported to patrol that during previous night that a silver Mercedes Benz vehicle was left

behind residence. HPD advised resident that the vehicle was stolen.

8300 block Lorrie (11/13/11 11:21 AM) - Neighbor reported main door to a nearby house was open. Patrol checked out and found house empty with no way to lock.

3400 block Linkwood (12/13/11 12:00 Noon) - Resident reported to patrol that burglars broke into their home through the back door.

3500 block Gannett (1/6/12 1:00 PM) - Neighbor reported to patrol and HPD that several early 20's black males were burglarizing a house. Patrol and HPD arrived at residence and the suspects fled. HPD caught and arrested two of the suspects, they identified and were looking for a third suspect, and a fourth suspect also was being

sought. A Knollwood Village security e-mail was sent out to residents about this on 1/9/2012.

Buffalo Speedway (3/1/12 1:00 PM) - Patrol noticed a suspicious black male, late 30's to early 40's, wearing a blue and white checkered shirt, blue jeans, and white athletic shoes. This person was wandering throughout the neighborhood, carrying a heavy black bag, and looking at houses. At one point the person wandered into the front yard of a residence. Patrol followed this individual for 45 minutes until he left the neighborhood. Patrol reported person to HPD.

TO LIVE

Knollwood Village History Trivia

*A Brief Trip Down Memory Lane –
recollections from some of our long-
time residents*

If you have memories you would like to share, let us know! We would love to share them with others via the newsletter.

Did you know that the location where our neighborhood is today used to be an airfield?

Houston's Main Street Airport apparently dated back to before 1934, as "Main St" was depicted as a commercial or municipal airport on a 1934 directory of airports. The 1945 AAF Airfield Directory described Houston Main Street Airport as a 108 acre L-shaped property having 3 sod runways, the longest being a 2,200' east/west strip. The field was said to have 3 hangars, the largest being a 100' x 60' wood & metal structure. Houston Main Street Airport was

described as being owned & operated by private interests. By 1950, the airfield

had been abandoned and development began of our neighborhood. http://www.airfields-freeman.com/TX/Airfields_TX_HoustonS.htm

Do you know what swimming pools used to be near KV?

The White House Hotel Pool and the Crystal Pool – we have heard many stories about time spent lazing around a hot summer day at these pools!

How did Buffalo Speedway get its' name?

There are rumors that at the current site of Pershing Middle School there used to be a racetrack. What is now known as Allen Parkway was originally named Buffalo Dr. A popular theory is that when Buffalo Dr. was renamed Allen Parkway, the name Buffalo was used for the new street being developed and that Speedway was added because of the race track. But no one really knows for sure how the name came about. We do know that the name Buffalo was used a lot in early Houston. For example, the first baseball team in town was the Buffs.

Have you heard of Playland Park? How about Kiddie Wonderland?

Playland Park was the first amusement park in the state of Texas and was located near S. Main and Murworth. It was operational from the mid-1940's to the early 1960's.

Kiddie Wonderland was on S. Main and Kirby, next to the old Kaphan's Restaurant. That is now the location of CVS. There were lots of ponies to ride there! This was all gone by the mid-1990's.

Knollwood Village Esplanade Landscaping and Signs

South Braeswood has been rebuilt! Now that the reconstruction is completed, the beautification committee will start work on the esplanades.

As people drive down these streets, one of the first impressions they make of the neighborhood is based on the landscaping of the esplanades. We would like to have that first impression of our neighborhood based on some nicely done signs and landscaping that show the pride we all take in our neighborhood.

Have you taken a good look at the Knollwood Village signs in the esplanades recently? They are made of wood and were installed over 15 years ago. Having survived several hurricanes and years of rain and sun, they have deteriorated and are in need of replacement. In the last newsletter, we had pictures of what new signs might look like. Do you have an opinion on what new signs should look like? Let us know! We welcome your opinions on what you would like the signs to look like and what materials they should be made from.

Please note that new signs will cost us some money. The club has a limited amount of funds to work with; we pay out what we collect each year for the security patrol and the mowing of the esplanades. If we do replace the signs, could you help out the club? A donation of \$15 -\$25 would go a long way in assisting the club in this project.

Let your club officers know your opinion on the signs. Email any of us or send an email to the general club email address. And if you would like to work on this project, let us know! We could use a volunteer to be the chair of a sub-committee to work on this specific project.

Electronics Recycling

Recycling of used electronics is available on the third Saturday of each month through a partnership between CompuCycle Inc. and the City of Houston. Locations are:

- City of Houston's Center Street Neighborhood Recycling Center: 3602 Center Steet - near Heights Blvd at Washington.
- CompuCycle is also accepting end-of-life electronics at their 7700 Kempwood Drive facility 8:30-4:30 weekdays and 9:00-3:00 on Saturdays.
- City of Houston's consumer recycling center: 5900 Westpark.

Streetlight Upgrade Update

Hello Knollwood Village Residents,

I hope by now you've heard about the upcoming City of Houston Street and sidewalk reconstruction project scheduled to begin this summer on the east/west streets between S. Braeswood, Buffalo Speedway, Greenbush and Fairhope (this is just the Knollwood Village reconstruction areas). I hope you've also read about the rare opportunity we have to upgrade our streetlights at the same time. The existing "cobra" lights can be replaced with more attractive – and more numerous – "Granville" lights (see pictures on KVCC website). **But only with your help!**

Homeowners in the affected areas as well as on Castlewood and Greenbush (between S. Braeswood and Broadmead) should have begun receiving their information packets and contribution forms the first week of March.

About 12 residents have graciously volunteered their time to help with door to door informational visits. For those of you that live in the affected areas, we hope you will keep an open mind and use these visits by your neighbors to answer any questions you may have.

As an extra incentive, we are raffling off an Amazon Kindle Fire (\$200 value). For every \$100 contributed, your name will be entered into the raffle increasing your opportunity to win this cool product!

Of course, we welcome contributions from anyone in the neighborhood as we feel if this campaign is successful, it will pave the way for the rest of Knollwood Village in time and benefit all of us – not just the affected areas. Braeswood Place has been successful 6 out of 6 times; help Knollwood Village start off on the right foot.

Since March 1st and in our first full week, the project collected over \$10k in contributions, check the website for the latest totals!

Remember, we only have until April 13th to meet our goal!

Pictures, detailed information and ways to contribute using Paypal are provided on our website at www.knollwoodvillagecc.org. You can also keep track of our progress on collections on the website as well!

Thanks for your support!

CITY

The Metropolitan collection is a series of custom designs and plans that take the guesswork out of building on your property.

INNER BEAUTY

The Metropolitan Collection was developed to cater to clients who wish to build a new home In-Town but are conscientious of time and expense.

INNER CIRCLE

Our team has selected some of our best designs and combined them with outstanding features to create a series of all-inclusive home designs.

INNER PEACE

The Metropolitan Collection includes everything you would find in a Partners In Building home plus permits, subdivision approvals, surveys, soil reports, fencing, landscaping, and more.

Youth ALPHA Sundays 5-6:30 p.m. A 10 week introduction to Christianity. Lively discussion will challenge youth to explore answers about life, reality and the Christian faith. And there's pizza too! Classes stand alone, so drop in anytime.
The Gathering at 9:00 a.m. is a shorter, family service that includes communion, scripture, music, and a homily. Contemporary Christian music is led by Ryan Klasen.
Traditional Worship at 10:55 a.m. includes organ and choir under the direction of Marvin Gaspard, Director of Music/Organist-Choirmaster.

The Knollwood Village Welcome Committee

Bevin Barrett and Emily Anmuth have re-booted the Knollwood Village welcoming committee. They have visited about 6 new neighbors who have moved to Knollwood in the past 4 months. New neighbors have been welcomed on Norris, Deal, Bluegate, Broadmead, Ashwood, and Greenbush. Local realtor, Gail Nash, has been helping identify some of the new neighbors, but if you have someone move in on your street, please let Bevin and Emily know so they can bring by a welcome packet and goodies. You can email bevinbarrett@yahoo.com with the address of a new neighbor.
