A Message From Your KVCC President

Hi Neighbors,

I hope that this message finds everyone safe and hanging in there during these challenging times. Our social committee has collected a list of neighbors willing to help out other neighbors with grocery or medication pickup. If you are in need, please email social@knollwoodvillage.org. If you do not have email access you can call me to initiate assistance.

My family understands the hard times. I am one of many Houstonians who became unemployed due to the pandemic. I work in Information Technology and was a contractor for an Oil & Gas company so I was an easy target. Fortunately, I found a new opportunity 6 weeks later so there is reason for optimism. Things are turning around so hopefully there is light at the end of this tunnel. If there is a silver lining in all this as it relates to the neighborhood, its been great seeing the residents and so many kids out walking, biking and sharing experiences like enjoying yummy snow cones! I know it's warming up quickly, but let's keep that up! It's great seeing the community grow and bond.

Security

In May we made the transition to SEAL Security for our neighborhood patrol after nearly 20 years with Smith Security. Officer Martinez (pictured) is our primary officer on day patrols.

We are also now coordinating random evening some patrols to curb the activity that occasionally occurs at night. To date, we have heard nothing but compliments and positive feedback from the residents. Officer Martinez wanted me to say thank you to everyone for the kindness vou have shown him. Much of his experience was in the prison system so he is enjoying his new role of helping protect Knollwood

Village residents and our properties.

One of the many benefits that come with this new patrol service is GPS tracking. The Security Committee can request a GPS map that tracks where the officer on duty is at all times. On the picture on the right the black dot marked with a white arrow means 5 mph or more in speed. An unmarked circle means less than 5 miles per hour or stopped.

SEAL Security patrol service significantly increases our annual budget for security. As a result, beginning in 2021, annual dues will go from \$175 to \$290 per lot, an \$115 increase.

Annual Dues

A full financial update by our treasurer, Laura Ferro can be found in this newsletter. I just want to say thank you to the 45% of residents that have paid their 2020 dues to date. We still need at least \$11K to match our typical spending for the year, which amounts to 62 homes that need to send in their \$175. It's not too late! There is still more than half a year for us to bounce back.

Update on our annual Goals

• Upgraded security patrol services – Initiated in May.

Encouraging Homeowner Involvement in the Neighborhood Civic Club

by Scott Rose

Running an effective Civic Club (i.e., very similar to a homeowners association) takes the work of many. Sure, the board can hold meetings and make decisions, but one of the keys that makes a neighborhood community a great place to live is the involvement of its members. Through committees and volunteers, the neighborhood can build a sense of unity and enjoyment for all. As a volunteer, you help protect and enhance the neighborhood, ultimately improving our property values.

Oftentimes a lack of involvement isn't because homeowners don't care, but rather because they're busy, they aren't sure what to do, they fear resident backlash (that's really rare in my 12 years as a board member), and they don't know how they can be of service. Whatever the role, I can assure you it won't take over your life, it's manageable and ultimately, it's what you make of it. It's rewarding.

The President, Vice President, and Treasurer positions / terms are ending in 2020. It's important that we identify one or more interested volunteers this year (ideally now) for these key positions to observe, learn, and provide input with no obligation. This is a way for all involved to test the waters and a way for the current board to get to know you. We have homeowners of all ages and backgrounds on our board. Many are parents with full-time jobs and little ones at home. Several board members have kids in high school, and some are empty-nesters and/or retired. We have a great mix of volunteers with varying areas of expertise and a wide range of years of experience within the civic club (1 to 30+ years), which helps us keep a strong Civic Club.

To give you an additional vote of confidence, I know Laura (current Treasurer), Michael (current VP) and myself are all planning to stay on the board in some capacity and will be here to support the new board members throughout the year. After all, it really does take a village!

We are in the mid-point in the year so it's important that some residents step up for consideration of these roles. We also welcome nominations of other residents that we can reach out to about the opportunities. We invite you to temporarily join our circle, observe meetings (granted we are limiting those currently), ask questions, share your ideas (we need some fresh ones), let us get to know you and allow us to give you more insight without any formal commitment.

Please reach out to me (see contact info on page 2) or any other board member for more information. You can find us on our website (http://knollwoodvillage.org/) under "Contact Us".

KVCC Social Committee by Bevin Barrett

Due to the current pandemic, the KVCC Social Committee had to cancel our Knollwood Village Nature Ramble and KVCC Night at the Astros events. The committee is still available to run errands for elderly or immunecompromised individuals during this time. We had a huge response from neighbors offering to help with this volunteer role. Please email social@knollwoodvillage.org if you or someone you know needs assistance.

Aside from maybe the occasional coordination of a snow cone truck in the neighborhood, looking towards the future, we will host our annual holiday lights contest in December, and hope to organize a mass tree-planting project in early 2021. We are also considering other projects such as selling and/or installing American flags for patriotic holidays. If you have any ideas for the committee, please send them to social@knollwoodvillage.org

Our committee supports and encourages community participation in the 2020 census response and the Mayor's MaskUp Campaign for the benefit of our community. Stay safe out there!

Project Brays - Harris County Flood Control District Update

by Charles Goforth, Brays Bayou Association, President

Harris County Flood Control District (HCFCD) is not participating in any in-person or virtual type meetings at this time, but we are receiving email updates, here is the latest:

BRIDGES

Stella Link has switched traffic to the west bridge and should be completed and fully open by mid-July.

Buffalo Speedway is projected to start in August of this year (although this does not mean the bridge will close this soon, but start to prepare your mind around this bridge closing completely for ~12 months.

Ardmore is into the "4th quarter" of construction and will be finished by end of August.

Greenbriar is at the stage of approach/intersection work and will be completed by the end of July.

S. Rice and **Chimney Rock** are slated to commence work December 2020 or early 2021. Work on the Hillcroft bridge started on June 15th for the elevation and intersection companion construction work. The entire bridge will be closed for approximately 90 days.

MISCELLANEOUS

The Meyergrove Detention Basin (where the old apartments at N. Braeswood and I-610 (next to Enterprise Rental) was purchased by HCFCD. It is in the design stage and crews are conducting preliminary work around the site. 50% design plans are expected in June. Contingent upon funding, construction could start in 2021.

Phase 1 of the S. Braeswood Basins is nearly complete. Phase 2 will connect the basins to the Millbury storm system and the other outflows between Millbury and the basins. This will be one, west to east connection to the basin under the S. Braeswood esplanade. Outflow capacity from the neighborhood of Meyerland Section 7 will not be increased. The design intends to divert water into the basins only once the flow into Brays is restricted, but does not enlarge any of the existing outflow pipes. Bottom line is, these basins are additional holes in the ground in a highly flood prone area and were inexpensive due to no land acquisition costs and proximity to bayou. The connection phase should start within a couple of weeks and be completed 60 days thereafter.

Bid work is underway for the proposed detention site along the Willow Waterhole Bayou, just west of S. Post Oak. The site was originally marketed for townhome development before HCFCD acquired it.

Outside of a few "punchout" items, the channel work part of Project Brays is complete from the mouth of Brays to the Fondren bridge. Unfinished trail connections will be completed under the bridges, where designed, once bridgework is complete.

Every aspect of Project Brays is due for completion by the end of 2021! You are encouraged to visit the Project Brays website for Project Brays specifics. https://www.projectbrays.org/. Also, check out the features on the Harris County Flood Warning System site https://www.harriscountyfws.org/ Real-time rainfall and bayou levels can be found here!

Braeswood Super Neighborhood Summer 2020 Update

by Cheryl O'Brien

The Braeswood Super Neighborhood (BSN) took a break from meeting when the stay-at-home order went into effect this year. That does not mean that we were inactive though! We continued to stay in touch with the county regarding bridge replacements, other entities, and additional matters.

We will resume meeting using the Zoom platform in June.* We will meet June 18 and July 16. The June meeting will feature an update on solar energy. Our speaker will be Dori Wolfe, a mechanical engineer who was chosen by the City of Houston to lead the Sunnyside Energy project. It will transform 224 acres of a methane-leaking Houston landfill, which was closed in the 1970's, into one of the largest urban solar farms in Texas resulting in free and reduced costs for the neighborhood. The July meeting will include an update from B-Cycle on the new station planned for our area as well as an update on the mobility bridge between Stella Link and Buffalo Speedway.

* If you would like the zoom log-in information, please reach out to Cheryl O'Brien at clpobrien@comcast.net

Meet Your Knollwood Village Neighbor The González-Butterwick Family on Hatton Street

Name: Katy Butterwick, Jaime González, and Diego González

Tell us about yourself and your family.

We are a non-profit family with Katy and Jaime working in that sector for the past (gulp) two decades. Katy is a second-generation Houstonian and a graduate of Bellaire High School, Trinity University, and the University of Edinburgh in Scotland. She works in philanthropy at the Episcopal Health Foundation with a mission to improve health in 57 Texas counties. Jaime was born in Philadelphia and his family soon moved to Texas where he grew up until another move back to Philly as a teen. He is a graduate of Olney High School and the University of Houston (twice). He works in environmental education

and resilience for The Nature Conservancy of Texas to create and sustain thriving habitats for all species – including humans. Diego is a curious, kind five-year-old who is discovering how great it is to be a boy with a dog as we took the puppy plunge during pandemic stay-at-home orders.

Favorite thing(s) to do as a family?

We love to be outdoors and enjoy gardening, camping, hiking, jogging, and riding bikes. We look forward to family vacations with Katy's parents (Diego's 'Ada' and 'Gigi)' and mostly head west towards green chiles and mountains in northern New Mexico. Fridays are pizza and movie nights for us. Disney classics, Star Wars, and Harry Potter have been recent favorites. We're enjoying cooking more at home than ever before and trying to perfect Jaime's mom's outstanding Puerto Rican dishes. Lastly, we love talking with our neighbors, particularly each spring when we plant a front yard wildflower prairie.

How long have you lived in the neighborhood?

Katy was born and raised in the neighborhood before leaving to San Antonio for college. In 2007, she and Jaime moved back. We welcomed Diego Dan in 2014 and Sunny the golden retriever this year.

What is your favorite thing about the neighborhood?

Knollwood Village (affectionately nick-named 'The KV') is a great place to have leisurely evening strolls along leafy streets and, now more than ever, to see folks out and about – even packs of kids on bikes! It's great being so close to Braes Bayou and so many other cool urban nature nooks, crave-worthy restaurants, and cultural gems.

What would you like to see improve?

Once we are beyond the pandemic, we'd love to see more events, which encourage neighborhood and block-level gathering so that we can get beyond a friendly wave and know the folks living around us better. Oh, and sidewalks throughout would be great, too!

Longfellow Elementary School

by Jenny Rozelle

In an end-of-year message to students' families, Principal Keafer wrote, "With the riots and protests that have emerged from the murder of George Floyd, I want you to know that Longfellow will continue to be a safe place for all members of our community. As we move into the next school year, I am committed to examining our school and reflecting on our systems that may lead to systemic racism. We are committed to educating our students to do better and to be better. Our students are not too young to have conversations about race and our differences. I encourage you all to sit with your children and let them know treatment of others based on appearance is wrong and it will not be tolerated. I know these conversations are hard, but they will be necessary if we want to see change in our community."

Longfellow is heartbroken to let everyone know that Mrs. Perkins-Thomas, one of our dedicated teachers who retired only a few months ago, passed away on May 5 from cancer. Mrs. Perkins-Thomas made a huge difference in the lives and education of hundreds of children throughout the years of her career and earned the respect and friendship of her colleagues. We ask that you keep her family in your thoughts and prayers. A GoFundMe account has been set up to assist her family with the costs associated with her illness and passing: https://www.gofundme.com/f/help-support-the-familyof-mrs-perkins-thomas. If you are able, any donations would be appreciated.

If you have a child who will be new to Longfellow in the 2020-2021 school year, including kindergarten students, you will need to call the campus at 713-295-5268 Monday through Thursday, between 8 a.m. and 3 p.m., to arrange an appointment to come in and register. There will also be an option to register virtually. The school office will be closed daily from 11:30 a.m.-12:30 p.m. for lunch. Longfellow's building will be closed after July 2, so please make sure you have completed your child's registration before that date.

Because of the continued threat of coronavirus, we are not yet sure what next school year will look like or when we will be able to return to campus. Students and their families will be contacted when there is a firm plan for reopening. If you have questions, you can email Principal Keafer at kkeafer@houstonisd.org.

We hope everyone stays safe and healthy!

Pershing Middle School

by Linda Parcot, PTO President

Bravo to the Pershing teachers and staff for making distance learning possible for over 1,700 Pandas. We finished the year strong academically while allowing students, teachers and staff to be at a safe distance from one another. Microsoft Teams, Google Classrooms, Zoom meetings, etc. were all used to keep students engaged and moving forward. Way to go Panda Teachers! I loved hearing the Zoom classes and seeing my kids engaged with their teachers and classmates. Thank you to the caring teachers, some of whom may have had personal stresses and struggles of their own, but still provided quality distance learning.

Way to go Principal Shetzer for steering the ship, supporting your teachers and staff, communicating with parents, getting technology or paper packets supplied as needed for students, and I'm sure many things that we parents don't know about. Your accolades for HISD Middle School Principal of the Year for our region are well deserved! Thank you for your leadership during this odd year.

Coming in July 2020 - Section 8 Deed Restriction Ballot

by the Knollwood Village Board & Architectural Control Committee

Hi Neighbors,

If you live in Section 8 (see map), the Knollwood Village Civic Club (KVCC) wants to give you a heads up that in a few weeks you will be receiving a Deed Restriction Amendment (the "DR Amendment") ballot in the mail. When you receive the ballot, we would like you to absorb the information and reach out to ask any questions you may have. There will be contact information to get clarifications. You may also have some of your neighbors going door to door to see if they can help answer any questions. Ideally, once you understand what is being proposed, please fill out, sign, and return what is a secret ballot in a timely manner. The ballots will be tabulated at a future KVCC board meeting.

To see in actual color, visit knollwoodvillage. org/deeds)

What triggered this need for an amendment?

Section 8 contains homes severely damaged by

Hurricane Harvey. Some of the homes and lots most affected by Harvey still remain unoccupied, unrepaired, vacant, abandoned, and foreclosed. The City of Houston passed a flood ordinance effective September 1, 2018 which requires the first habitable story of the home (defined as the Minimum Flood Protection Elevation - MFPE) to be at least 24 inches above the computed level of the 500-year flood plain. As a result, the homes in Section 8 of Knollwood Village must be elevated to heights in excess of 8 feet above the adjacent ground level.

Currently, one or more of our residents wants to build a home with two habitable stories and utilize the space beneath the elevated first habitable story for garage, storage and building access. The Knollwood Village Architectural Control Committee (ACC), based on the City of Houston Building Code definition of a story, has determined that is one of the two permitted stories under the current deed restrictions. The only work-around under the current Deed Restrictions is to convert an attic into a furnished attic. Thus, changes to the Section 8 deed restriction have been developed that are supported by the Knollwood Village Board and ACC members. In order for the DR Amendment to pass, it will require 51% approval from the homeowners in Section 8 is required in order for this DR Amendment to pass.

It is hoped this DR Amendment will "kick start" the redevelopment of the impacted properties which will benefit all of Knollwood Village. This amendment will also give homeowners and builders more flexibility to allow a home of a given size to be constructed upon a smaller footprint, creating opportunities for space, cost reductions, environmental efficiencies, and other benefits.

Additionally, the new DR Amendment will introduce limits on home heights to approximately the height of newly constructed homes in the last few years and provides for home designs which maintain a certain sunlight access for neighboring properties.

KVCC Spring 2020 Incident Report

by David Wood

The Knollwood Village security incidents reported below are compiled from reports that residents made to Smith Security (prior to May 1, 2020) and S.E.A.L. Security Solutions (SEAL) (starting May 1, 2020), crime data from the Houston Police Department that is available through HPD's website, and reports from residents. Information available on the crime data website is limited to the very basic details of block number, date, time, and type of crime.

Since the last Knollwood Village newsletter incidents that have been reported include one theft from vehicle, two larcenies (thefts), two incidents of vandalism, one incident of disorderly conduct, one simple assault, and five reports of suspicious persons or vehicles. Please report all criminal incidents to both HPD and SEAL Security. HPD allocates their patrol resources to areas that report incidents so it is to Knollwood Village's benefit to report all incidents that occur here to HPD.

After reporting an incident to the Houston Police Department, PLEASE call SEAL Security and give a report to them as well. The reports provide important details to SEAL so they know what to be on the lookout for. Also, the information from the SEAL patrols about neighborhood crime is published in this newsletter to help keep residents informed about how the criminals operate so deterrent measures can be made more effective. Officer Martinez is our regular SEAL Security patrol officer for Knollwood Village.

If you notice any persons in the neighborhood who are behaving suspiciously please IMMEDIATELY call the Houston Police Department's non-emergency phone number, which is 713-884-3131, and report them. After you report the suspicious person(s) to HPD please call SEAL Security at 713-561-5757, and report the suspicious person(s) to them. Did I mention, it's important to call HPD and SEAL because they both need to know what to watch out for?

If, however, you see a crime in progress, such as a person breaking the window of a house or kicking in a door, then call 911, the City of Houston's emergency number, to report it.

Knollwood Village is in Precinct 7 of the Harris County Constable's office. The patrol dispatch number for the Precinct 7 Constable's office is 713-643-6602. The Houston Police Department should always be called first at their non-emergency number listed above, but feel free to call the Precinct 7 Constable's dispatch number second. If a Constable officer happens to be patrolling in the area they may be able to respond to a call more quickly than HPD officers patrolling further away.
