President's Report

April Hearne

Dear Neighbors,

On February 8th, under a beautiful Saturday morning sky, roughly 300 community leaders and neighbors gathered to celebrate the recent inauguration of the Rabbi Samuel Karff Memorial Bridge spanning Brays Bayou.

This beautiful 634-foot pedestrian bridge now connects
North and South Braeswood boulevards between Stella
Link and Buffalo Speedway and represents more than just
a convenient and safe crossing—it embodies the spirit of
connection that Rabbi Samuel Karff championed
throughout his distinguished career at Congregation Beth
Israel. Rabbi Karff served as the senior rabbi of
Congregation Beth Israel from 1975 to 1999 and strongly

advocated for civil rights, social justice, and equality. The bridge symbolizes his life's work, connecting communities across racial, religious, and ideological divides. Commissioner Rodney Ellis noted that the bridge honors Rabbi Karff's tireless efforts to build bridges between communities, making it a fitting tribute to his legacy.

The bridge is part of the broader Brays Bayou Greenway initiative, which aims to create a network of connected green spaces across Houston. This project reflects the city's commitment to enhancing recreational opportunities, improving safety, and fostering community unity.

As we celebrate this new addition, I'm reminded of how important it is to maintain and enhance the features that make Knollwood Village such a wonderful place to live. Our tree-lined streets, well-kept parks, and community gathering spaces don't happen by accident—they require ongoing attention and investment from all of us.

In this newsletter, we feature an interview with Cheryl O'Brien, the current President of the Braeswood Super Neighborhood. She emphasizes the longstanding efforts of residents to find a safer way to cross Brays Bayou, which have been ongoing for decades. Cheryl also discusses the importance of collaboration within the Super Neighborhood, highlighting how it enhances our ability to secure infrastructure repairs and park upgrades.

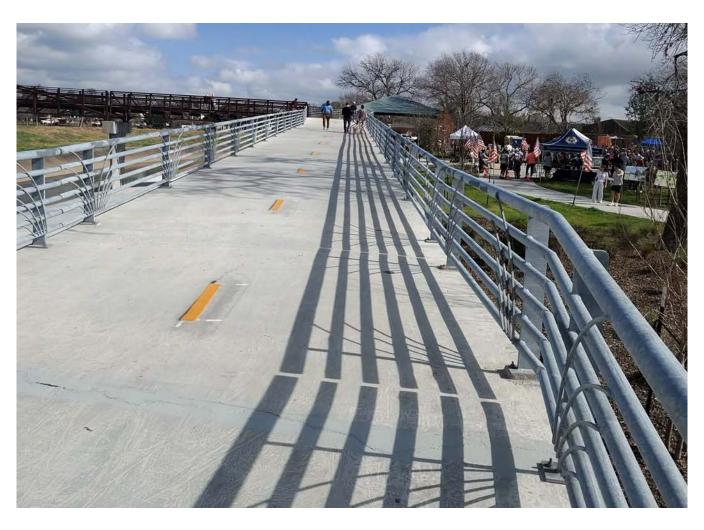

This is where your annual dues to the Knollwood Village Civic Club play a crucial role. Your contributions strengthen the club, enabling us to advocate for neighborhood improvements like the Karff Bridge, maintain our common areas, communicate important information through this newsletter, and—perhaps most importantly—fund our neighborhood security patrol.

Thank you to everyone who has already paid their 2025 dues. If you have not yet done so, please send in your 2025 KVCC dues as soon as possible.

Your neighbor,

April Hearne

KVCC President

Spotlight on Civic Engagement

An Interview with Cheryl O'Brien

For decades, Cheryl O'Brien has been a steadfast advocate for our community, helping shape local initiatives that improve infrastructure, parks, and quality of life for Knollwood Village and the broader area. As the president of the Braeswood Super Neighborhood Council, Cheryl plays a key role in bringing together multiple neighborhoods to push for meaningful change.

How did you first get involved in civic engagement in the neighborhood?

Cheryl: My husband and I moved into Knollwood Village in February 1981. A year later, in 1982, I was elected president of the Civic Club. That was the start of my civic involvement, and over the years, I realized that our neighborhood shared many challenges with the surrounding communities.

Around that same time, then-Mayor Lee Brown and city officials were considering how neighborhoods could collaborate to address common issues. This led to the creation of Houston's Super Neighborhood program, which divided the city into 82 geographic areas, each representing multiple communities with shared interests. The Braeswood Super Neighborhood Council (#32) was officially recognized by the city in 2011. Our council includes Knollwood Village, Linkwood, Braeswood Place, Westridge,

Woodshire, Woodside, and Townhouse Manor. We work together to address key concerns such as infrastructure, parks, and pedestrian safety.

What is the benefit of the Super Neighborhood for Knollwood Village residents?

Cheryl: One of the biggest advantages is strength in numbers. When a neighborhood like Knollwood, with around 625 homes, requests street repairs, the city might not see it as a priority. Compare that to Braeswood Place, which has nearly 2,000 homes. The city is more likely to respond when a larger group is making noise. By banding together through the Super Neighborhood, we amplify our voices and push for improvements that benefit all of us.

A great example of this is the Rabbi Karff Bridge, which was a dream for many residents dating back to the 1950s and 60s. For decades, people wanted a safer way to cross Brays Bayou, rather than risking their lives on major roads like Buffalo Speedway. Through collective advocacy, we finally got the bridge built, and it's now a safe, beautiful pedestrian crossing.

What are some other accomplishments of the Super Neighborhood?

Cheryl: We've been instrumental in securing infrastructure improvements, such as repairs to Buffalo Speedway and Stella Link, and pushing for capital improvement projects (CIPs) like sewer and waterline replacements. These large-scale projects are often slowmoving, but without the Super Neighborhood advocating for them, they might never have happened.

Another success story is Friends of Linkwood Park, which was created to restore and improve the park's facilities. The old community center was literally falling apart, and the playground was unsafe. While the Super Neighborhood itself can't fundraise - since it's not a 501(c)(3) - Friends of Linkwood Park was formed as a nonprofit to raise money and work with the Houston Parks Board. This led to significant upgrades, including a new community building and toddler playground.

Right now, Friends of Linkwood Park is reinvigorated and working to implement Phase 2 of the park's renovations. The next phase includes a playground for older kids that will be safely fenced off from the toddler area. This ensures that families with children of all ages can enjoy the park.

How can residents get involved?

Cheryl: First and foremost, I want people to realize that everything we do is driven by community volunteers who care about where they live. No one gets

paid. The Super Neighborhood, Civic Club, and Friends of Linkwood Park operate because people are willing to give their time.

One of the easiest ways to contribute is by joining and supporting the Civic Club. If we all pitch in, we can accomplish a lot more.

Most importantly, if you see a problem that needs to be addressed, bring it to our attention. Whether it's sidewalks, drainage, or street repairs, we can advocate on your behalf. The city works best when residents speak up, and the Super Neighborhood ensures our voices are heard.

Any final thoughts?

Cheryl: I love this neighborhood. It's great to see more families moving in, walking their dogs, pushing strollers, and making this a vibrant community. My hope is that we continue working together to keep Knollwood Village a wonderful place to live for generations to come.

Treasurer's Report

Michelle Jarrell, Treasurer

Dear Neighbors,

The 2025 budget has been approved. Contributions are budgeted at \$80,550, and expenses at \$77,387, for a Net Operating Income of \$3,163. We budgeted contributions to be in line with 2024 receipts, which were down on a percentage-of-households basis from the previous 5 years... only 39% of households contributed to our civic club last year.

We must increase contributions in 2025 in order to maintain our security patrols and neighborhood maintenance.

As of March 3rd, funds received to date total only \$27,277, net of Paypal fees. We have received payments from only 78 of our 624 households (12%). It's early in the year but we have a long way to go to cover our expenses for the year.

If you have not yet contributed, please consider doing so. Your contribution of \$290 goes to support the beautification and security of our beloved neighborhood. We've made it super easy to contribute:

- ✓ Mail a check to Knollwood Village Civic Club, PO Box 20801, Houston, TX 77225
- ✓ Pay using Zelle make payment to treasurer@knollwoodvillage.org (there is no fee for Zelle!)
- ✓ Pay using Paypal, by visiting our website at knollwoodvillage.org and clicking CONTRIBUTE

Security Report

David Wood, Security Chair

The Knollwood Village security incidents reported below are compiled from reports that residents make to S.E.A.L. Security Solutions (SEAL), crime data from the Houston Police Department that is available on the internet, and reports from residents. Information available on the crime data website is limited to the basic details of block number, date, time, and type of crime.

NOTE: PLEASE report all criminal incidents to both HPD and SEAL Security. This reporting redundancy is important. HPD allocates their patrol resources to areas that report incidents. It is to Knollwood Village's benefit to report all incidents that occur here to HPD so we can have additional HPD patrols. In addition, SEAL Security does not receive HPD reports so if SEAL is not informed our SEAL officer will not know what to be on the lookout for during patrols. Also, SEAL provides a detailed history of reported incidents to the KVCC and that record is one of the sources of information used to compile our quarterly newsletter report which helps keep residents informed about how the criminals operate so deterrent measures can be made more effective.

If you notice any persons in the neighborhood who are behaving suspiciously please call the Houston Police Department's non-emergency phone number, which is 713-884-3131, and report them. After you report the suspicious person(s) to HPD please call SEAL Security at 713-561-5757, and report the suspicious person(s) to them.

If, however, you see a crime in progress, such as a person breaking the window of a house or kicking in a door, then call 911, the City of Houston's emergency number, to report it.

Knollwood Village is in Precinct 7 of the Harris County Constable's office. The patrol dispatch number for the Precinct 7 Constable's office is 713-643-6602. The Houston Police Department should always be called first at their non-emergency number listed above, but feel free to call the Precinct 7 Constable second. If a Constable officer happens to be patrolling in the area they may be able to respond to a call more quickly than HPD officers patrolling further away.

If you notice any persons in the neighborhood who are behaving suspiciously please call the Houston Police Department's non-emergency phone number, which is 713-884-3131. After you report the suspicious person(s) to HPD please call SEAL Security at 713-561-5757, and report the suspicious person(s) to them. If, however, you see a crime in progress, such as a person breaking the window of a house or kicking in a door, then call 911, the City of Houston's emergency number, to report it.

Braeswood Super Neighborhood Update

Cheryl O'Brien

The Braeswood Super Neighborhood (BSN) is excited to see the completion of the new Rabbi Karff Bridge! It was fun to have so many families in our community out celebrating the ribbon cutting on February 8th.

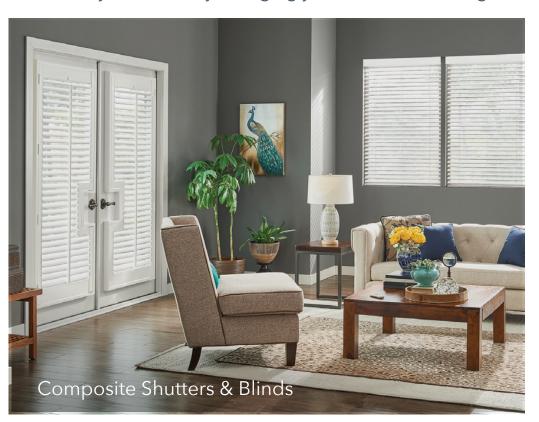

The BSN continues to actively meet with the city and county regarding traffic control measures on both North and South Braeswood as you approach the new bridge. Improvements have been installed but we feel there needs to be additional safety measures such as some sort of pedestrian controlled flashing light system. There are some barriers to obtaining that type of traffic control that we are hoping to overcome. We want the entry and exit from the bridge to be as safe as possible for crossing the street. In the meantime, we urge everyone to observe the posted speed limit and watch for people crossing the street.

In other news, (1) There has been no movement on the discussions between the city and Centerpoint on bridge lighting, specifically the Buffalo Speedway Bridge. Centerpoint waylaid our original plans for lighting. The discussions now include all the bridges from Buffalo Speedway to the Meyerland area all the way west to Hillcroft. (2) The Friends of Linkwood Park is working on starting Phase II of the park renovations. Unfortunately, the Parks Board has changed how they fund park renovations. This is causing us to pivot and find additional ways to raise the funds needed for this project. Phase I was installing the toddler play area on the west side of the building. Phase II would include improvements to the tennis courts, possible markings for pickleball by the basketball pavilion, and a playground for older children. The building needs new acrylic windows, caulking, paint, and new flooring. (3) Trees for Houston hosts multiple tree give-aways each year and we hope to host one with them in the spring at the workout pavilion next to the pedestrian bridge. (4) There are also ongoing talks between several of the neighborhoods about collaborating on the landscaping and maintenance of the adopted esplanades and possibly adopting the remaining few along Buffalo Speedway by the Starbucks that are not currently adopted by any civic group.

We look forward to a productive 2025!

Cheryl

Brays Bayou Greenway Construction Update

Exciting changes are on the way for those who live, walk, run, and bike along Brays Bayou Greenway!

Construction has begun on a new 2.7-mile segment that will extend the trail between Hermann Park and Buffalo Speedway. This addition will pass under nine major intersections, including Main, Kirby, and Buffalo Speedway, while providing new street-level access points at Fannin and Greenbriar. Once complete, the project will bring the **total length of connected trails along**Brays Bayou to nearly 43 miles—a major boost for outdoor enthusiasts and commuters alike.

Work is expected to wrap up by fall 2025, with the Houston Parks Board managing the project. The \$2.6 million investment, funded by the City of Houston, covers not only construction but also long-term maintenance and flood cleanup to keep the trail system in top shape.

While construction is underway, residents should be mindful of work zones and avoid areas marked with orange fencing. But once the dust settles, this extended greenway will provide an even better way to connect with nature, neighbors, and key destinations like the Texas Medical Center. For more information, visit houstonparksboard.org.
