A Great Inner Loop Houston Neighborhood, 620 Homes Strong KnollwoodVillageVoice www.knollwoodvillagecc.org Winter 2010/2011

President's Letter

At the dawn of a new year, good things are happening in Knollwood Village. South Braeswood undergoes a long-overdue facelift. New home construction slowly returns. Security remains strong. And, I'm happy to report, the Knollwood Village Civic Club ends the year in the black — the first time in a while.

It's a time of reinvestment for all of us. Thanks to the caring neighbors of Knollwood, we saw 57% of the homeowners contribute to the Security Fund and Civic Club dues. That money pays for the Security Patrol, the street median beautification maintenance, and the few odds and ends that

help us fight for the interests of the neighborhood. Thank you to everyone who contributed. On pages five and six of this newsletter you'll find a full run down of the homes that gave in 2010. And since it's time for 2011 dues, you'll find a contribution form on page seven to ensure we stay solvent and strong.

Balancing our budget was one of the goals the KVCC set at the beginning of the year. But just as important, we sought to recruit new, fresh, energetic volunteers for the organization. Today, more than half the Board members are recent additions. We need it. During the course of the year a number of long-time volunteers have transitioned off the Board or key Committees after giving years of selfless effort to safeguard the KVCC's vital role. Notable among them are Bob Patterson, Sid Sabel, and David Fitts. Their wisdom, hard work, and dependability will be missed — and must be replaced. And after two years as president, I too am pulling back. The KVCC will enjoy new leadership to guide the group through its next important chapter.

Next KVCC

General Meeting

Jan 19th Wednesday 7:00 p.m.

St. Luke's Presbyterian Church (Fellowship Hall) 8915 Timberside Dr.

Please join us to discuss neighborhood issues such as deed restriction enforcement and to elect new Officers for 2011. We need a quorum. We need you. So as you pull out your checkbook (or go online) to pay your 2011 dues, think about this: The KVCC needs a few more committed folks to join the Board, we need someone to take over the newsletter, and the Architectural Control Committee needs at least one and as many as three more members. Perhaps you've thought about it in the past but didn't act. Well, now is a great time to step forward. It is fun and rewarding work.

Start by attending the General Meeting on January 19th (Wednesday) at 7pm at St. Luke's on Timberside. We need a quorum of at least twenty 2010 dues-paying members to elect new officers. **We need a quorum.** We need your presence, your vote. We'll review 2010 (we had some interesting deed restrictions issues arise) and we'll look ahead at 2011. We'll also vote in a new slate of Officers, so please attend and vote.

Thank you all for your support for the KVCC. Let's keep Knollwood a great place to live.

HAPPY NEW YEAR!

Letter from the Treasurer

I hope everyone enjoyed the holidays! As I write this I am completing my first year as Treasurer for Knollwood Village. My first thought is to evaluate the year and see how we did from a financial perspective...

While the results look mostly positive, our successes did not come without difficult decisions from our board. I'm referring mainly to a decision made at mid year to reduce some Security services saving us \$500 per month or about \$6k per year. That decision was made in fear of us not meeting our dues collection goal, although the hard push late in the year got us very close.

Our goal was to collect \$65k which, believe it or not, is only 60% of our entire neighborhood of 625 homes. We collected 95% (approximately 357 homes) of our goal, which is a record high at least in recent years, but it's far from this neighborhood's overall potential.

In the coming years, if we can raise our dues collection, this board can actually make noticeable improvements to the neighborhood such as replacing the worn out neighborhood sign on Braeswood and/or beautifying the esplanades in the area with flowering plants, etc... How about improve services such as Security or improved street lighting? As it stands, this year we were able to make ends meet – which is a <a href="https://www.negs.not.org/huges/

In summary, we made what amounted to baby steps in 2010 but let's not be satisfied with that. This is our neighborhood! It's your investment! Please make your own "investment" in the Knollwood Civic Club in 2011.

I look forward to a prosperous 2011. Thank you for your continued support.

- Scott J Rose

Who Do I Call For What?

Have you ever been confused as to what number or who you call to report a problem in the neighborhood? We will try to make it easy for you!

- 1) Calls regarding civic club dues, the security patrol provided by Smith Security, general questions about the neighborhood may be directed to any civic club officer or board member. The primary areas the civic club handles are security and deed restriction enforcement. If you feel a neighbor is violating a deed restriction, please contact us.
- 2) Not sure what your deed restrictions are? We have included a copy of the deed restrictions for the entire subdivision on our website. If you are not sure what section you live in, we also have a map that will help you find the particular section you live in. That information is also on your property tax bill.
- 3) Remodeling your house? Demolishing an existing house and rebuilding? These areas are handled by the Architectural Controls Committee (ACC). They can be contacted via the website: www.knollwoodvillagecc.org.

It is important that the ACC be contacted BEFORE any such work is begun.

4) Concerns about yards, junk cars, and other property related concerns should be directed to the Neighborhood Protection Corps. This is a section of the Houston Police Department that is charged with the responsibility to enforce the buildings and neighborhoods section of the City of Houston ordinances. You may use 3-1-1 to report a matter or you may contact them directly at:

7125 Ardmore Houston, TX 77054 Phone: 832-394-0600,Fax: 832-394-0643

5) How about 3-1-1? When do I call them?

The City has an excellent 3-1-1 system. You may call that number to report a variety of issues: problems at Linkwood Park, traffic concerns, junk cars and weedy lots (as noted above), noise levels, etc. You may also complete a request form for services at the following website: web_intake/Controller

If you call 3-1-1. Always get the case number from the operator. It Is much easier to follow-up on requests if you have the case number. If you file a request on-line, keep a copy for your records.
