Esplanade Sign Update

(Pictured above is artist rendering of proposed new neighborhood signs.)

Great News! On February 1, we started our fundraising effort to replace our existing neighborhood signs on Buffalo Speedway and S. Braeswood. We're excited to report that as of the time of printing of the newsletter (March 12) we have received contributions totaling over \$9,952-- see detailed breakdown below.

Neighborhood (Esplanade) Sign Costs	\$ 22,875
City Awarded Grant	\$ 2,845
Existing Funds Previously Donated by Residents	\$ 3,570
Donations collected since Feb 1, 2015	\$ 9,952
Target Fundraising Goal (Remaining)	\$ 6,508
<i>Suggested Donation per home</i>	<i>\$ 50</i>

To achieve our goal, we still need approximately 130 homes to contribute \$50.

If you haven't contributed yet, please hurry--all funds must be raised by March 31 (extended from March 15) to take advantage of the city-awarded grant!

Benefits include:

- Improves the neighborhood's overall visual identity and presents a positive image
- Provides a welcoming entrance into the neighborhood
- Indicates the neighborhood is occupied by homeowners who care about keeping up their properties, which is helpful for attracting new residents

Treasurer's Report

Dear Neighbors,

I am a longtime Houstonian, having grown up very close to Knollwood Village and spending many childhood days biking around our beautiful tree-lined streets. I attended Texas Christian University for my undergraduate studies in Business, and received my MBA in Colorado State's Executive Program while working in Denver. Having a family now; two energetic children and a very caring wife, we moved back home to Houston and are very happy to be living in Knollwood Village.

As Treasurer, I want to ensure a transparent and calculated approach to our community's financial health. It is my duty to help us use the assets we raise in a manner that puts our best interests and future first. I am very detail-oriented and dedicated, possibly to a fault (I've been with the same company for 15 years).

We have kicked off the year on a great foot and we really appreciate the families who have contributed so far this year. If you haven't done so yet, please take a minute to donate to our neighborhood either online at www.knollwoodvillage.org or by mail at KVCC, PO Box 20801, Houston TX 77225. As a reminder, 2015 dues are \$175 and we encourage any extra donations to help with security patrols. This year, we are asking for \$50 per home to replace our neighborhood signs.

Times may be hard right now and budgets may be tight, but any and all contributions are helpful regardless of size. As of about March 1, here are our current 2015 Annual Dues contributions:

193 – Total households contributing – 31%

\$184 – Average household dues and additional security contribution

\$35,338 – Total dues and security contributions

As a board member and neighbor, I not only want to see Knollwood Village prosper and improve, but also stand the test of time for our families and those of the future. I am proud to represent Knollwood Village as the new Treasurer and I look forward to a great 2015.

Thank you,

Grant Heemer
KVCC Treasurer

ADVERTISER NOTICE – Knollwood Village does not endorse nor recommend the advertisers in this newsletter. Before contracting for service, check references and recommendations from independent sources.

Thank you for your Service on the KVCC!

I'd like to take this opportunity to thank a few board members who are stepping down. First, I want to thank [Erik Tennison](#) and [Bill Klein](#) in their roles as committee members on the ACC.

I also want to pay special thanks to both [Chris Hearne](#) and [Suzanne Jett](#) for their service on our Civic Club for the past several years. Chris was a resident in the neighborhood for 16 years before volunteering, but when he did, he meant business. Chris joined the board in 2006 and has served as President and Treasurer and he has managed our website, helped publish our newsletter and was the man behind the scenes sending out all KVCC email communications. Chris has been instrumental in making the KVCC more automated, organized and financially solid – just like a business. Fortunately for us, Chris is planning to stay on our board in a reduced role.

Suzanne is a second-generation family homeowner and moved back into the neighborhood in 1994. She initially joined the KVCC as an ACC Committee member in 2010 and took over as lead in 2011 (within a few months of joining the ACC). She managed the ACC for two years before moving over to lead social. As social chair lead, Suzanne played a big role in planning the neighborhood's 60th birthday party, which was a tremendous success. Suzanne is retiring from our board due to the demands of her career. Both Chris and Suzanne have been more than exemplary members of our civic club and we appreciate their hard work and loyalty to the neighborhood.

If you run into any of these neighbors, please thank them for their many years of volunteer service.

Scott J. Rose
KVCC President

(Signs, cont'd.)

- They'll convey the message that the neighborhood is protected by deed restrictions.
- They'll convey a sense of permanence and quality and give the neighborhood an identity within the city.
- They'll be graphically clear and easy to read, and they won't be a distraction to passing motorists.

For up-to-date status on the fundraising goal and to read more details, see our website. Here are the ways you can contribute:

- Make check payable to KVCC (it can be combined with dues) and send to: KVCC, PO Box 20801, Houston, TX 77225
- Pay online for the signs and pay your KVCC dues at <https://knollwoodvillage.org/contribute/>
- Pay online only for the signs at <https://knollwoodvillage.org/esplanade-signs/>

To those that have already responded with your generosity -- thank you!

A Message From Your KVCC President

Hi Neighbors,

Happy New Year! Since the last KVCC newsletter, your Civic Club held our annual general meeting on January 29. Elections were held for all the executive offices with the following being voted in:

President: Scott Rose
Vice President: Hector Caram
Treasurer: Grant Heemer
Secretary: Brian Gastineau

All positions were unopposed and Hector, Brian and I were re-elected in our same roles – on behalf of all of us, thank you for your continued support. We do have a new elected Treasurer and his name is Grant Heemer. Look for his first ever Treasurer Report inside the newsletter. Parul Vyas joined our ACC, Tricia Elby has taken over as the Social Committee Lead and Annemieke Luckey has volunteered to help on the Welcome Committee. **We are really excited and thankful to have Grant, Parul, Tricia and Annemieke in these new roles!**

Looking to 2015 but staying on a similar topic – VOLUNTEERS! Over the last 4 years until this one, all of the faces in the officer positions on our board have been the same and some of us have just rotated positions. It's been great to have cohesion and experience but it's time in 2016 that we give others in the neighborhood a chance to make a difference. I want to encourage residents who may be interested to get involved NOW without a real commitment or responsibility. Come attend and observe some board meetings; let's get to know you and vice versa. You can see how things operate so you will know what to expect. I think "time commitment" is the biggest concern for most of you considering volunteering. I can tell you that I've got a full-time job and I'm an active dad with 2 boys under 3 – my plate is full, right? Joking aside, it's usually only a few hours a month, but most importantly, being involved is a small way of helping to improve and protect our neighborhood and our own investments. **Our first board meeting of the year is coming up – Thursday, March 26 at 6:30 pm.** Contact me if interested and we will give you meeting location and details.

Aside from getting more new residents involved, some other high-level goals for the club this year are to:

- Match or exceed our dues collection in 2014 and in recent years
- Do a makeover on our website
- Improve communications between the Civic Club and its residents
- Continued improvement on our back-end processes, as well as improve the information available on our website and with our ACC procedures.
- Continued review and assessment of our Security Patrols.

- Grow our advertising business with our newsletter. Do you have a local business that needs advertising?
- Replace our two crumbling neighborhood signs on Buffalo and Braeswood (I'm sure you read about that on the front page). *If you have been procrastinating sending your payment, please don't delay any longer – we have a goal to reach by March 31 and it's approaching fast!*

To conclude, I would like to appeal to all residents to consider the following in 2015:

- ◇ **Get involved.** Let's show more of a sense of community. Meet your neighbors on your street and get involved in your Civic Club – we welcome residents to come observe a KVCC board meeting.
- ◇ **Get connected.** If you aren't receiving neighborhood email news today and you have an email address, take a minute and go to our website (www.knollwoodvillage.org) and subscribe to our "Email List" so you can stay in the loop on the happenings in the neighborhood.
- ◇ **Pay your dues** (if you haven't already). It's \$175 per month, which is less than \$15/month.
- ◇ **Donate** (if you haven't already)! Let's all come together to reach our financial goal and succeed in replacing our neighborhood signs. **We could have new signs by June 1, 2015, but only with your help.**
- ◇ **Protect yourselves and your homes** – Most crimes in the neighborhood are crimes of opportunity, so let's not give the criminals that chance. At a minimum, make sure you have proper lighting around your home, and make sure all doors are locked. If you can afford investing in alarm and camera systems, you further provide deterrents to criminals and reduce the chances of your home being a target. Most important, let's keep an eye out for each other.
- ◇ **Take pride in your home, lawn, and overall property.** Keep your lawn maintained, landscaping trimmed and general appearance of your home in check.
- ◇ **Be considerate of your neighbors.** Pick up after your pets, don't park on your lawn and don't attempt to manage an obvious business from your home.

Finally, I wish each of you and your families a successful, happy and healthy 2015. I look forward to meeting many of you throughout the year, as well as hearing from some of you soon. Please don't hesitate to reach out to any of us on the board if you need our help.

KVCC Winter 2014 Security Report

Since the previous issue of the newsletter, incidents in Knollwood Village reported to Smith Security include eight burglaries of a residence or garage, two burglaries of sheds, two vehicle thefts, three incidents of vehicle being ransacked, and three reports of suspicious or unfamiliar vehicles. The vehicle thefts were the result of some of the burglaries, since access and keys to the vehicles were obtained through burglarizing the residences.

If you notice any persons in the neighborhood who are behaving suspiciously please IMMEDIATELY call the Houston Police Department's non-emergency phone number, which is 713-884-3131, and report them. After you report the suspicious person(s) to HPD, please call Smith Protective Services at 713-789-5944, and report the suspicious person(s) to them. It is important to call HPD and Smith because they both need to know what to watch out for.

If, however, you see a crime in progress, such as a person breaking the window of a house or kicking in a door, then call 911 which is the City of Houston's emergency number to report it.

Knollwood Village is in Precinct 7 of the Harris County Constable's office. The patrol dispatch number for the Precinct 7 Constable's office is 713-643-6602. The Houston Police Department should always be called first at their non-emergency number listed above, but feel free to call the Precinct 7 Constable's dispatch number second. If a Constable officer happens to be patrolling in the area they may be able to respond to a call more quickly than a HPD officer patrolling further away.

Bayou Greenway Day 2015

Saturday, April 4, 2015

10 a.m. to 3 p.m.

The featured bayou for this year is Brays Bayou!

Bayou Greenway Day 2015 is a project of the Houston Parks Board in collaboration with the Mayor's Office of Special Events and the Houston Parks and Recreation Department.

The overall plan is to extend the greenway all the way from the ship channel to the west beltway area. The Harris County Flood Control District is doing a massive flood control project along the bayou and work began on the eastern edge by the ship channel and has progressed westward to the Texas Medical Center. We can expect to see construction in our area within the next 6 - 12 months.

This event is a great way to see how the city parks department is creating a greenway along the bayou in conjunction with the flood control work.

Location

Four "hubs" – Fonde Park, Gragg Park, Spurlock Park, and Mason Park – will feature an array of fun activities for all ages in festival-like atmosphere.

These parks will serve as activity "hubs" from which families can venture out and explore the Brays Bayou Greenway.

Activities

A variety of nonprofit and neighborhood organizations are planning activities and spreading the word to ensure a great turn-out:

- Bayou City Adventures: Kayaking in the bayou
- Bayou Preservation Association
- Bicycle
- Bike Houston: Kidical Mass bike ride
- B.O.U.N.C.E.: Beginner 5K walk/run
- CanDo Houston: Zumba
- East End Management District
- Frame Dance: Expansive dance demonstration
- Nature & Eclectic Outdoors: Interactive campsite
- Recipe for Success

and many others!

Parking

Attendees are encouraged to bicycle or walk to the event in keeping with the spirit of the Bayou Greenways. Parking will be extremely limited. Please be respectful of the surrounding neighborhoods.

Braeswood Super Neighborhood Update

A very informative meeting was held in January where the proposed senior living facility at Bethany United Methodist Church was discussed. An additional informational session was presented on February 24. As of the date this article was prepared, the project is on hold for approximately 12 months. The state of Texas and the city of Houston have different definitions for "supportive housing" and that has caused a delay in the application process by Bethany UMC. They are working with the state and will be resubmitting their application. The SN will be sending out notices on this project as we learn about steps being taken to further this project. The planning committee at Bethany UMC has promised to keep us posted as they work through the technical issues in their application.

We also have been following the progress of the work along Braes Bayou, part of the Project Brays being coordinated by the Harris County Flood Control District. We recently learned that channel modifications have been funded to continue the work all the way to Stella Link. Current work is funded to Buffalo Speedway. This work will increase the capacity of Braes Bayou to carry storm water, thereby reducing the risk of flooding.

It has been decided that the group will not hold monthly meetings but will switch to a bi-monthly schedule. The next meeting of the SN is scheduled for April 16. This is scheduled to be an informational session about education. Scheduled to speak are the trustees from both HISD as well as the Harris County Dept. of Education. Plus we will have information on any items concerning education from the current legislative session in Austin. The meeting will be held at Linkwood Park starting at 6:30 pm.

We look forward to seeing you there!

(Security Report, cont'd.)

2000 block Fairhope (2/12/15 10:55 AM) - Resident discovered their burglar alarm was on and called dispatch to request patrol to come check it out. Patrol checked out the rear of house and found that nothing was amiss. A HPD officer arrived and he and patrol entered the house to check it out after homeowner unlocked the door. Everything appeared to be OK.

2900 block Stanton (2/13/15 7:06 AM) - Burglar broke the glass in a rear door to gain entry to house and then grabbed the keys to the resident's vehicle sometime between 10:00 PM and 6:00 AM. Inside the vehicle was cash and groceries, which were all taken. Patrol advised resident to call HPD.

2800 block Prescott (2/13/15 - 7:34 AM) - Resident reported that both of their vehicles were ransacked and a number of items were taken, including a camera.

Local School News

Longfellow Elementary

Longfellow Elementary will be hosting another Leadership Day on Wednesday March 11, 2015 from 9 am-11 am. Longfellow Elementary is a Leader in Me school and in the process of achieving Lighthouse School recognition. The Leader in Me is an innovative program that applies the 7 Habits of Highly Successful people to the elementary school age child. The Leader in Me has had a transformative effect on our school and Leadership Day is a chance for students to showcase their leadership skills and highlight the exciting educational, leadership and fine arts opportunities at the school. There is a \$25.00 fee to attend the program. Sign up is available on the school website: <http://www.houstonisd.org/Page/81506>

Longfellow Elementary Tree Planting and Beautification Day is on Saturday March 14th from 8:00 am-12 pm. Trees for Houston is generously donating 16 new Texas Native Live Oaks for Longfellow's campus. Students, parents and community members are invited to take part in the beautification day. Students may earn volunteer hours for service.

Longfellow Elementary Kindergarten Round-Up is on April-15th at 9:30 am. Have an incoming kindergartner that you need to register for the 2015-16 school year? Or have a little one and want to come check out the school early? This is the perfect time to come to see student performances, visit kindergarten classes, tour the school, ask questions, and get your first chance to register. Please contact magnet coordinator Andrea Pennington with questions or for more information: APENNINI@houstonisd.org Did you know Longfellow has their own Basketball team and Cheerleading team? They are having lots of fun playing other schools in the area and learning sports skills and team work.

Congratulations to the Longfellow Dance Ensemble

Members who competed at the annual HISD MA Regional Dance Competition on Saturday, February 7, 2015 at Waltrip High School. They received the highest rating, Division I, for all three pieces performed, won a Super Sweepstakes Trophy and a plaque for the High Point Award in Lyrical. Longfellow was one of only two elementary dance programs represented out of approximately thirty-six HISD elementary, middle, and high school dance groups and soloists competing. We are very proud of our dancers for their accomplishments, and we are in awe of their dedication, hard work, leadership, professionalism and talent.

Pershing Middle School

We had more attention for our Gardening teacher Mr. Coursey recently. He was invited to speak to the HISD Nutritional Services Parents Advisory Committee about student engagement and his philosophy of education and nutrition. Gardening is one of the great electives Pershing students can choose from. There are nearly 30 varieties of vegetables being grown in the Pershing gardens and the kids sell them every Saturday morning at the entrance to the parking lot on Stella Link. Stop by sometime and take a look.

Also, our Spring Sports season is well underway. Please go to Pershing's website and click on "Athletics" to get the latest info on all of our sports. You can often find a baseball or lacrosse game being played on a Friday night right here in the neighborhood. Here's Pershing's website:

It's Time to Get Out to the Park!

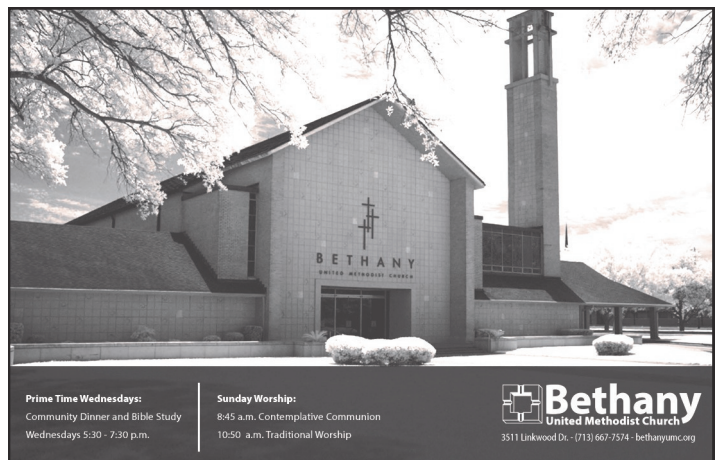

The trees are beginning to bud, which means it's time to head to your local park for some springtime outdoor enjoyment! Friends of Linkwood Park (FLP) continues its efforts to make Linkwood Park a safe, desirable park and recreation center that is actively used by the residents of its surrounding neighborhoods. Currently, FLP is working closely with Houston Parks Board to renovate the park's basketball courts. This improvement is made possible by a City of Houston matching grant awarded to Friends of Linkwood Park in January.

In addition to the basketball court renovation, FLP is researching fencing options to provide a protective environment around current and future playground equipment. The fence structure will be similar to the fence surrounding Karl Young Park which protects the park's youngest patrons from high traffic roads. Similar to Karl Young, Linkwood Park is surrounded by busy streets. Two years ago a child was involved in a serious

accident when crossing Ilona to Linkwood Park. Adding low fencing along Ilona and Norris will not only provide a secure barrier for playground activity, it will help prevent popular park toys like soccer balls, and more importantly the children who play with them, from easily entering the street. This project will be funded by the Service Budget Request funds awarded to Linkwood Park at the request of Council Member Larry Green. Friends of Linkwood Park is grateful to have the support of District K through its knowledgeable, "pro-parks" leadership team.

If you would like to support your neighborhood park, it's easy to make a donation through Houston Parks Board. Personalized pavers make great gifts to honor your friend, family member, or organization! Orders and donations can be placed online at http://houstonparksboard.org/projects/linkwood_park. Checks can be made payable to Houston Parks Board, 300 North Post Oak Lane, Houston, TX 77024 (note "Linkwood Park" on memo line of your check). All donations to the Houston Parks Board, a 501 (c)(3) non-profit organization, are tax-deductible to the extent allowed by law.
