A Message From Your KVCC President

Hello Residents,

I hope you all had a good Thanksgiving. Ready or not, the holidays are here! I don't know about you, but I am excited for the holiday season and all that comes with it such as cooler temperatures, the holiday parties, spending time with family, friends and hopefully enjoying some time off. The Holiday Decorating Contest will be held again this year. Judging will be on December 20th, so don't delay on the decorating.

For your Knollwood Village Civic Club board, this is the time of year we report to you the status of our club's finances, security and other initiatives and/or challenges throughout the year. I am very proud of the work and time given voluntarily by members of our community to support our neighborhood and the civic club. Without them, there would be no security, no deed restriction adherence, no beautification and no communication (i.e., this newsletter, our website, etc.).

I also want to thank all of the residents who have generously supported the clubs efforts financially. If you can't volunteer your time, we hope you will at least back us with your dues contributions. It appears that even in a year where we asked all of you to contribute to help us replace our degrading neighborhood signs, we still managed to achieve pretty close to the same revenue as we did in 2014. That is a great display of support from all of you and I personally thank each of you that reached a little deeper into your pockets to support the new neighborhood signs.

Looking back at our goals for the year, we did well:

- ☑ Dues collection—match or exceed. We are close to matching.
- ☑ Do a makeover on our website. We did and there is more to come in 2016.

- ☑ Improve communications between the Civic Club and its residents. Email updates, web updates, newsletter articles, etc.
- ☑ Continued review and assessment of our Security Patrols. This year we were much more proactive in adding or changing patrols/hours to respond to crime patterns. We did more nightshifts and weekends in 2015 than in the last several years combined.
- ☑ Grow our advertising business with our newsletter. We did by ~\$600 and hope to improve even more in 2016.
- ☑ Replace our 2 crumbling neighborhood signs on Buffalo and Braeswood. We did it.
- ☐ Continued improvement on our own back-end processes. This is the one area that I feel like we didn't make as much progress as hoped, but I know it will be on the 2016 checklist!

One other unexpected event that happened this year was the Free Press Summer Fest that came to NRG Park due to unexpected flooding at Eleanor Tinsley Park during the Memorial Day holiday. While the weekend event was an inconvenience to some of our residents, the Civic Club was able to negotiate a nice donation of \$20,000. The board has had discussions on how to use some of those funds, but it has yet to finalize any details.

All in all, I think it's been a successful 2015 for the neighborhood. I want to thank all the board members and residents who have educated and supported me during my tenure as President of the KVCC for the last 3 years. I will not be running for re-election in January 2016. It is my desire to stay involved as a board member, but I am stepping aside in the spirit of giving others an opportunity to maintain and improve our neighborhood with new perspectives. I encourage everyone to come to the Neighborhood General Meeting on January 28th to vote on the next great slate of officers. I also want to

Cont. page 2

President, from front

encourage other residents to step up and become involved in the club. We are currently running the club with less than 20 volunteers which is ~2% of the residents in the community. The greatest resource Knollwood Village has is the human resource. Please get involved. The more of us there are, the less we collectively have to do individually and the stronger we'll be.

Help us keep Knollwood Village strong! Happy Holidays!

Beautification Update

At the Residents General Meeting in September, a presentation was delivered on an overall master plan that the Beautification Committee put together over many months. Since this plan was originated by a few board members (vs all), the board wanted to give residents a high level plan/design, to provide proposed phases, cost estimates and most importantly, an opportunity to provide feedback on the idea of beautifying the esplanades that surround much of our neighborhood on Buffalo Speedway and S. Braeswood. For those of you that were unable to attend, the full 29 slide PowerPoint presentation is available on our website's main page, but here are some key facts:

- The Civic Club adopted 8 esplanades (2 on S. Braeswood, 6 on Buffalo Speedway) back in 1978 and by all accounts has been maintaining them (mowing grass, edging, minimal landscaping and tree trimming). Of course, our 2 neighborhood signs reside here.
- The board also purchased several water meters in the same year with the purpose of irrigating the esplanades. Currently, 7 of the 8 esplanades have meters installed.
- In 1989, Civic Club received approval to install the 2 esplanade signs that were replaced earlier this year.
- The city provides water free of charge in esplanades but does have stringent requirements for sprinkler systems in an effort to keep water usage down such as requiring rain sensing equipment.
- In short, the plan proposed includes at least 2 landscaped beds around each neighborhood sign (to compliment them), to irrigate all esplanades and to perform tree maintenance (trimming) as needed. While additional cost estimates were still being collected at the time of the meeting, it was obvious to all that the investment and effort was significant and that it would need to be done in phases, which was also proposed. However, the general idea to proceed with some level of beautification of our esplanades was strongly supported – just as the replacement of the neighborhood signs were.
- The board has since discussed the topic further and did make some initial decisions, but prior to any work being done, some additional estimates, design strategies and risks are being researched and considered as part of our due diligence. The committee will continue to investigate these things and re-present any new information at the January Residents meeting. The board will revisit the topic as well.

Corner Lots and Visibility

Concerns have been raised regarding the issue of visibility and traffic issues at corner lots in our neighborhood. Following is a brief discussion from the ACC about visibility.

Each of the sections of Knollwood Village has a similar set of Deed Restrictions that regulate how the property can be used and developed. Corner lots however, have an additional restriction that must be observed; that of maintaining a visibility triangle at the street corner.

The deed restriction states:

“No fence, wall, hedge or shrub planting which obstructs sight lines at elevations between 2 and 6 feet above the roadways shall be placed or permitted to remain on any corner lot within the triangular area formed by the street property lines and a line connecting them at points 25 feet from the intersection of the street lines, or in the case of a rounded property, form the intersection of the street property lines extended. The same sight-line limitation shall apply on any lot within ten (10) feet from the intersection of a street property line with the edge of a driveway or alley pavement. No tree shall be permitted to remain within such distances of such intersections unless the foliage line is maintained at sufficient height to prevent obstructions of such sight lines.”

It is important to note that this requirement is not measured from the curb but rather from the property line which is typically 16' from the face of the curb along the street edges of the lot. For most lots this means that a triangle formed by measuring 41 feet from the face of the curb along both streets needs to be kept clear of obstructions by plants, hedges or walls.

There are presently many lots in Knollwood that do not conform to these restrictions: the result of which can be a traffic hazard for the residents as well as a source of liability for the non-conforming lots. **Complying with the deed restrictions is the responsibility of each homeowner regardless of the condition of the plantings when the lot was purchased.** If you are an owner of a corner lot, please survey your yard and make sure you property is in compliance with the restriction. If you are uncertain, please contact any member of the Architectural Control Committee for clarification.

The City Attorney's office has a Deed Restriction Enforcement Team which will work with neighborhoods to make sure that Deed Restrictions are obeyed and public safety is maintained. **Anyone who feels a property is in violation of a deed restriction can report their concerns to 311, by calling the Deed Restriction Hotline at 832-393-6333 or by submitting a DEED RESTRICTION COMPLAINT FORM to the City of Houston Legal Department, Neighborhood Services Section.** You may file this electronically at <http://www.houstontx.gov/legal/dr-complaint.html> or you may access the written form at the same website to complete and mail to the city.

It is also important to note that in addition to the deed restrictions, the City of Houston also has an ordinance requiring that visibility triangles be maintained within sub-divisions (§42-161) and can act to clear or remove non-compliant vegetation and place a lien on your property to pay for related costs.

THE **IDEA** BANK FOR CUSTOM HOMES.

The Build on Your Lot team at **PARTNERS** IN BUILDING is like the Idea Bank for custom homes. As the largest custom home builder in Texas, we've built luxury homes since 1986 on every kind of home site. We're always learning from our customers, too, as we work with them to design their one-of-a-kind home from scratch. Our Build on Your Lot team has learned there is more to building a custom home than just a floor plan and a home site. It's a process, and we are experts in delivering the things you want most in your home, on time and on budget. When we're finished, there won't be another home like yours. That's something you can take to the bank.

“ From the first meeting to the handing over of the keys, Partners in Building was there whenever we needed them and built a house that will last a lifetime. We have told many of our friends, “Why would you build a house with anyone else?”

Development Along South Main Street

If you drive along South Main, you have probably noticed that there is a lot of construction activity along South Main from Old Spanish Trail south to the 610 Loop.

As a bit of background, general redevelopment of Main Street is spearheaded by The Main Street Coalition. This coalition represents both public and private stakeholders. The area referred to as the Main Street Corridor runs from Buffalo Bayou, south through downtown, midtown, the museum district and ends at 610. A company named The Goodman Corporation was selected by the Coalition to coordinate the master planning efforts within this corridor.

In August 2014, city council voted to create a “Stadium Park Redevelopment Authority” (SPRA). The SPRA is a six-member board that seeks donations to bankroll beautification projects such as new signage and better open space maintenance along the Main Street corridor leading up to NRG Stadium. The redevelopment authority is an extension of two neighborhood groups - the South Main Alliance and the Main Street Coalition - that have long focused on traffic and beautification issues along the Main Street corridor, which includes the Texas Medical Center, the Museum District and NRG Stadium. These groups were the ones who planted the trees (500 of them) lining South Main Street between Brays Bayou and the South Loop.

Here is what we know so far about the construction in progress along this corridor:

- At 8700 South Main, near Old Spanish Trail, a 5 story apartment complex called Haven at Main is being constructed. Our city council member, Larry Green, consulted with the developer (Guefen Development Co.) and the SPRA to ensure that this apartment building is consistent with the goals of both the city and SPRA for the beautification and improvement of the South Main Corridor.
- Further south at 9300 S. Main, close to Murworth, a Holiday Inn Express and Suites is under construction. Completion is scheduled for May 2016.
- At the intersection of South Main and Buffalo Speedway, behind Starbucks, the old hotel and dilapidated strip center have been demolished. This site is owned by Frank Liu and there are a lot of rumors as to what he plans to develop on this site, but no official announcements have been made. Speculations include another townhome development and also a mixed development of residential and commercial use.

We will continue to monitor developments on S. Main. Keep tuned for news as we learn more!

FALL UPDATE: Braeswood Place Mothers of Young Children (BPMOYC)

We are off to a great Fall! We learned tips for taking photos and how to easily take photos from Instagram to a Chatbook. Thanks to **Judy Le** for hosting and teaching us all her great tips. We had a great night preparing wonderful dinners for our families' at **Dream Dinners Bellaire**. Thank you to **Margaret Pinkston** for organizing the event. Our families had a wonderful time at our annual Halloween party. The kids enjoyed face painting, a bounce house, pumpkin decorating and delicious **Jet's Pizza**. A huge thank you to **Jet's Pizza** for donating 20 pizzas to our event. Thank you to **Jennifer Johnson with Here We Grow Again** for helping to sponsor this event as well. Lastly, thank you to **Amber Blossom, Lindsay Colvin, Roopa Gondipalli and Yan Dang** for organizing this fun event.

We had a wonderful Holiday Shopping Event with 14 vendors! Our members were able to shop these incredible vendors all in one place. Thank you to **Margaret Pinkston, Julie Streich and Kelle Lambert** for organizing such a great event. Thanks to **Kelle** for hosting the event in her beautiful home. Thanks to **Almaza Jewelers** for donating gorgeous earrings for our raffle. Thanks to **Kristin Hom** for also donating champagne for the raffle in which we raised over \$450 for **Mark Twain's Spark Park Project**. The dads joined us for a couple's event at Top Golf. We enjoyed food, friends and of course golf.

As I wind down my year as President I want to say how grateful I am to have held this position. I have met so many wonderful moms and families. We are truly blessed to live in such a family-friendly neighborhood. Seeing the smiles on moms' faces when meeting a new friend at a Moms' Night Out or hearing the children's laughter at a family event have brought me such joy! Thanks to everyone who helped make this year a true success. I am thrilled to announce our new President for 2016 will be **Cricket DeWalch** and the Vice President will be **Margaret Pinkston**. I know they will do an amazing job!

Treasurer's Report

Dear Neighbors,

We should be proud of the financial accomplishments we've achieved this year; I know I am. The support for our neighborhood has been exceptional this year and we have you to thank. As the year draws to a close, let me remind you of our success.

- There are 625 lots in Knollwood Village.
- In 2015 we received \$78,784 from our residents and lot owners.
- 360 homes (57.60%) contributed this year which is up by four percent from last year.
- We met our esplanade goal of \$17,585 from 256 homes contributing and completed the project this summer.
- As a neighborhood, we raised \$13,189 as part of Knollwood Village Civic Club dues from 329 homes and \$44,235 for security.
- We had an additional 92 homes contribute an additional amount for security helping our patrol coverage and resulting in another \$3,682.
- The sums of \$13,189 for KVCC dues and \$47,917 came just shy of our 2014 achievements; however, I look at this as an incredible success given the additional \$17,585 contributed for the new esplanade signs.
- Our main expenses are broken down as follows:
 - ◆ 74% - Security Services
 - ◆ 13% - Newsletters/Postage/Dues-letters
 - ◆ 9% - Landscaping Services
 - ◆ 4% - Liability Insurance/Website/Small Miscellaneous Expenses

We were successful this year because so many families supported the Knollwood Village Civic Club. Thank you all! This really proves that each contribution, regardless of size, adds up in the end.

As we have done in the past few years, we want to collect individual family holiday donations online for Officer Perkin La Cour who does an outstanding job patrolling our streets, getting to know our families, and helping to ensure our safety. Times have become leaner for many this year, but again every amount helps. One hundred percent of your donations will go directly to Officer La Cour, and the KVCC will even pick-up the online transaction fees. Last year more than 200 families donated, amounting in a check for \$6,500 to brighten his holiday. Let's give him another great year end!

Office La Cour is a great man who really cares about our safety and wellbeing, so please join me in giving online at www.knollwoodvillage.org. Click on the red 'Perkin Gift' button of our home page where you can personalize a note in the card that goes out with the cashier's check.

Thank you again for your support of the Knollwood Village Civic Club, and have a safe and happy holiday season!

Sincerely,

Grant Heemer

KVCC Fall 2015 Security Report

Since the previous issue of the newsletter in September a number of incidents have been reported to Smith Security. Among them were two suspicious person reports, a report of a lost dog, a complaint about unleashed dogs, a speeding vehicle report, a loud music complaint, an attempted home burglary, and three thefts from a vehicle or trailer.

Knollwood Village residents should be aware that HPD has informed us that criminals sometimes drive vehicles with temporary paper license tags because they are difficult to read from a distance and they are easy to forge. If you observe unfamiliar vehicles in the neighborhood bearing temporary paper license plates please give them extra scrutiny.

If you notice any persons in the neighborhood who are behaving suspiciously please IMMEDIATELY call the Houston Police Department's non-emergency phone number, which is 713-884-3131, and report them. After you report the suspicious person(s) to HPD please call Smith Protective Services at 713-789-5944, and report the suspicious person(s) to them. It is important to call HPD *and* Smith because they both need to know what to watch out for.

If, however, you see a crime in progress, such as a person breaking the window of a house or kicking in a door, then call 911, which is the City of Houston's emergency number, to report it.

Knollwood Village is in Precinct 7 of the Harris County Constable's office. The patrol dispatch number for the Precinct 7 Constable's office is 713-643-6602. The Houston Police Department should always be called first at their non-emergency number listed above, but feel free to call the Precinct 7 Constable's dispatch number second. If a Constable officer happens to be patrolling in the area they may be able to respond to a call more quickly than a HPD officer patrolling further away.

Knollwood Village Smith Incident Reports (September 2015 through November 2015)

3000 block Broadmead (9/1/15 11:12 AM) - Resident reported a silver convertible speeding down the street. Patrol encountered the car at the Broadmead-Lorrie intersection and followed it. The vehicle was a new silver or light gray BMW with a black top and it had temporary paper license tags. Patrol called HPD and gave them the license number of the speeding vehicle.

3100 block Broadmead (9/4/15 11:41 AM) - Dispatch received a call from a resident about a loose dog wandering from house to house. Patrol arrived, and with the help of a resident, caught the dog. The dog was wearing a collar with a phone number that Patrol called and left a message. Patrol put the dog in the back seat of the patrol car and continued patrolling. The dog's owner called and Patrol returned the dog to its owner.

Hatton (9/16/15 11:04 AM) - Patrol investigated this street looking for the source of loud music that a resident on Norris had reported. The local postal carrier reported that loud music appeared to be coming from the Broadmead apartments on Main. Upon investigation Patrol determined that the loud music was coming from a training facility at NRG Park.

Conway (9/22/15 10:02 AM) - Patrol observed that there were more cats than usual in the area. After stopping and asking a resident about this Patrol learned that a nearby resident had recently passed away.

3400 block Deal (9/28/15 1:48 PM) - Dispatch asked Patrol to check out report of a suspicious young man, wearing shorts and a red and white shirt and wearing a black backpack, who was going door to door asking for work or money. Patrol located the man in question on Greenbush, asked him not to solicit in this neighborhood, and followed him as he left the area.

3400 block Deal (10/1/15 7:45 AM) - Two different residents called to report a suspicious man walking down the street. The man was wearing a white shirt, blue pants, blue jacket, and carrying a red shoulder bag. Patrol located the man at Braeswood and Braesmain walking towards the Target store and recognized him as someone who frequently walks the streets in the area.

8500 block Bluegate (10/2/15 1:28 PM) - Patrol dispatched to residence where burglar alarm had just been triggered. Patrol discovered that glass in the rear door had been broken. Resident, also alerted by the alarm company, arrived home a few minutes later and they discovered more broken glass on the other side of the house. Resident called HPD and filed an incident report. HPD suggested replacing the glass with high strength security glass that is very difficult to break.

This Holiday Season, protect yourself, your family and your property against criminals wishing to do you harm. Criminals have a "desire" to commit crimes against those who are not aware of what is going on around them. The holidays are an opportune time for a criminal to commit these offenses. Know your surroundings and don't become a "target." It's up to YOU to make sure that a criminal does not have the "opportunity" to take advantage of you and your family.

USE COMMON SENSE

STAY CALM

WHILE SHOPPING

- Stay alert to your surroundings and the people around you.
- Shop with a friend; there is safety in numbers.
- Avoid carrying large amounts of cash.
- Pay for purchases with a check, credit, or debit card.
- If possible, carry only your drivers license, personal checks, or necessary credit or debit cards.
- If you must carry a purse, do not wrap the straps around your arms or shoulders. You could risk injury from a would-be purse snatcher. Carry a clutch purse tightly under your arm or wear a fanny pack.
- Do not carry wallets in a back pocket. It should be placed in a front pocket for safety.

- Be alert, criminals look for the "high dollar store" shopping bags with your purchases. When possible, slip bags/purchases in a plain nondescript bag.
- Watch purchases while eating in mall food courts; bags as well as purses can easily be switched or taken.
- Educate your children about what to do if they are lost as well as what to do if a "stranger" should try and take them.
- Don't overburden yourself with too many packages. This jeopardizes your safety while walking to your vehicle. Either make multiple trips to your vehicle or have your packages sent to package pick-up where you may retrieve them in a well-lit and heavily populated area.
- Have your car keys ready in hand before leaving the store. They also make a great weapon, should you need to defend yourself.
- If you do return to your vehicle to unload packages and continue shopping, place your purchases in the trunk. Be observant of anyone watching, and if possible, move the vehicle to another parking space to deter a burglary of your vehicle.
- Try not to shop until the store closes. Remember, fewer people are present at this time.

IN PARKING LOTS

- Shop early and leave early to avoid evening darkness.
- Park in a high visibility area and check for lighting in case you leave during the hours of darkness.
- DO NOT park next to a vehicle with dark tinted windows. Waiting assailants can be obscured from view upon your return.
- Before shopping, lock all your valuables in the trunk prior to parking in the parking lot.

- Leave the store with a group of people, not alone.
- Ask the Security Officer to escort you to your vehicle if you are uncomfortable.
- Walk briskly, confidently, and directly through the parking lot. Be cautious of people handing out fliers or asking questions in the parking area.
- Watch for people who may be following you. This can occur inside as well as outside the store. If you suspect that you are being followed, report it to the store or mall Security. Report it immediately.

AT HOME

- Keep the outside of your home well-lit with doors locked and window curtains closed.
- Don't display gifts beneath the Christmas tree that can be seen from windows or doors.
- After the holidays, don't advertise gifts received by the boxes left for trash collection. Destroy boxes and place in a sealed, non-clear bag.

IF YOU ARE TRAVELING

- Get an automatic timer for your lights.
- Ask a neighbor to watch your home, collect mail, park in the driveway, etc.
- Try to remember to have the mail and newspaper deliveries stopped. If it piles up, it's a sure sign your gone. Because emergencies may occur, this is not always possible. Rely on friends and neighbors to help.

Security Report (cont'd.)

Norris (10/05/15 2:12 PM) - Resident reported to Patrol that they frequently observe residents in the neighborhood walking with unleashed dogs which is prohibited by the City of Houston leash law. The resident said that while working in their garden they were fearful of being attacked by the unleashed dogs. Patrol suggested calling HPD.

3000 block Prescott (10/6/15 11:35 AM) - Resident called to report two attempted thefts from vehicles and one successful theft of a firearm from a vehicle. The thief was caught on camera during the crime which occurred at 5:28 AM. The male suspect was white, of medium build, and was wearing a cap, a light brown long-sleeve shirt, brown pants, and white tennis shoes. He also was wearing a black backpack and carrying a 20 to 30 inch long skateboard. Patrol advised resident to call HPD.

2900 block Ashwood (11/5/15 9:01 AM) - Resident reported to Dispatch that they had discovered a screen missing from one of the windows on their

house. The resident was not sure if the screen had been stolen or was never installed when the windows had been worked on recently. Patrol investigated and suggested the resident call the window company to install the missing screen.

3400 block Castlewood (11/16/15 9:00 AM) - Yard worker reported to Patrol that while he and two co-workers were working in the back yard of the residence that someone stole equipment from his trailer. A string trimmer, leaf blower, and tree trimmer were taken. Patrol advised him to call HPD to report the crime.

3400 block Norris (11/19/15 8:42 AM) - Patrol was flagged down by a resident who reported that their vehicle was entered and their gym bag was ransacked. The clothes in the gym bag were dumped out, but the thief stole the bag and a brand new pair of tennis shoes. HPD had not yet been notified, but the resident was planning to call them later that day.

Interested in Joining a local Mother's Group? These groups are a great way to connect with other moms, buy/sell items, find a great playgroup, participate in fun social activities, get helpful referrals, and more!

Below is a list of many of the benefits the group offers:

- ◆ The ever-popular Yahoo Group (find a nanny, recommendation for a pediatrician, great pre-school, kid-friendly restaurant, etc.)
- ◆ Playgroups
- ◆ Bi-Monthly Meetings with great speakers
- ◆ Moms Night Out social events throughout the year
- ◆ Spring and Fall Couples Parties
- ◆ Community Service Projects
- ◆ Kid-friendly events such as Playdates at the Little Gym, Halloween Party, Easter Egg Hunt and more
- ◆ Babysitting Co-Op
- ◆ Mommy Meals for new moms
- ◆ "Best of List" with doctors, bakeries, handymen, landscapers, and much more!

Architectural Control Committee (ACC) Activity

Activity since the last newsletter has been minimal. Plans for four new houses have been approved. In 2015, we had 8 new home construction requests compared to 13 in 2014. Don't forget – it is better to ask BEFORE you start a remodeling or renovation or new build if you have met the criteria established by our deed restrictions!

Date	Address	Street	Description	Notes:
12-Sep-15	3427	Norris	Submission for new construction	Approved for construction

News from Longfellow

November was a busy month at Longfellow Elementary. Magnet tours were given every Thursday throughout the month of November and magnet applications will be due by December 18th. Students participated in various activities on Veteran's Day to learn about the meaning of the day and ways they could honor those that have served in the military. Ms. Miller's 5th grade classroom delivered over 400 cards to the VA hospital to commemorate the day.

Kindergarten students performed "No Turkey for Perky" on November 19th which was a cute musical celebration of Thanksgiving. On November 24th students will present the results from their annual Toy Survey. The Toy Survey allows upper grade students to put their math and research skills to use as they survey students about their holiday wish list and then analyze and compile the results. Results will be published on the Longfellow website if you need some ideas for the children in your life.

Neighborhood Storytime for babies, toddlers and preschoolers continues the first Wednesday of every month at 11:30 am— (the next one will be Wednesday December 2nd). Come bring your little one to the Longfellow library for stories, songs and a simple craft. Please bring photo ID.

Magnet Student Performances will be the week of December 7th-11th. Students from music, art, orchestra, band and dance will showcase all the amazing skills they have been learning. Also in December, select students will give back to the community by caroling at one of the local hospitals

The students, faculty and staff at Longfellow wish all of our neighbors a safe and happy holiday!
